

DRIVING DIRECTIONS TO SKY RANCH LUTHERAN CAMP

WE LOOK FORWARD TO SEEING YOU . . . UP AT SKY RANCH!

We are working hard to prepare for your arrival and make sure your time with us is as enjoyable and life giving as possible.

We also know how much work goes into preparing a group to come to camp. Thank you for your time and for your effort. If there is anything that we can do to help in your preparations, please contact our office.

For those that are driving to Sky Ranch, please use these driving direction. If you are driving from out of state, let us know if you need any help finding congregations to house you along the way. For any groups that are taking the train or flying, we are happy to work with you to arrange pick up from Denver and transportation to Sky Ranch.

DRIVING TO SKY RANCH

We ask that you arrive between 2:30 and 3:30 on Sunday afternoon for Check In. Once you arrive at camp, we will welcome your group, have each participant check in with our camp nurse, and then start orientation and preparations for your program.

Some helpful hints as you prepare to drive to camp:

- The Shell Station is the last gas stop. Make sure you have enough gas for another 100 miles.
- The turn-off for Pingree Park Road is at mile marker 96. If you arrive at Rustic, you have gone approx 5 miles too far.
- Pingree Park Rd is gravel and has some narrow and sharp curves. There are also places with washboard, so please drive carefully. It is strongly recommended that you

plan your arrival before dark.

- The final turn is marked by a large Forest Service sign with Tom Bennett Campground and Sky Ranch. If you miss this turn, you will drive another 1/4 a mile before arriving at Pingree Park where you can turn around.
- Vehicle GPS systems have been known to get lost on the way up to Sky Ranch. It is recommended that you either print off directions or the map, in addition to your GPS. The physical address for Sky Ranch is 1601 N County Rd 163 CG, Bellvue, CO 80512.
- **You will lose cell phone reception** as soon as you enter the Poudre Canyon, so please make sure you know where you are going prior to leaving town.
- If you have any additional questions, please call for assistance:
